FOR IMMEDIATE RELEASE September 1, 2010

Lakewood, OH - Northwesterly Assisted Living Community, located in Lakewood, Ohio, recently changed ownership and became a Bloomfield Senior Living community. The Bloomfield Senior Living team has over 40 years of experience as a family company owning and operating senior housing communities. Northwesterly is a vibrant assisted living community sitting on a private setting in the heart of Lakewood. Its luxurious interior design, state-of-the-art amenities, comprehensive supportive services, personalized assistance, resident centered health care and warm atmosphere make it Ohio's premier senior living community. Our residents experience the privacy of home combined with the security and convenience of assistance and a maintenance free environment. Northwesterly is designed for senior adults who wish to maintain their independence, but may require assistance with daily living or simply want comfort knowing that someone is available 24-hours a day. Northwesterly offers affordable month-to-month private apartment rentals – a smart financial choice considering there are no buy-in fees or long term leases. Northwesterly provides a wide variety of personalized services, life enrichment activities and wellness, cultural and educational programs administered by its highly trained and devoted staff. The Bloomfield Senior Living team stated, "We will upgrade the community and provide additional services enabling our residents to continue enjoying their lifestyle. We are committed to enhancing the lives of our staff and residents, and making Northwesterly an even better home. In fact, we are in the process of completing a nearly \$1 million remodel." The Northwesterly family works extremely hard every day to create a lifestyle for its residents by ensuring that their tailored personal needs are met, while maintaining the highest level of choice, autonomy, dignity, privacy and respect. Bloomfield Senior Living is thrilled to bring over 4 decades of experience and success to the Northwesterly. For additional information, please contact:
